Dear Chairman Pai,

I write to support the Comments of the Cable Act Preservation Alliance ("CAPA") and to disapprove of the proposals and tentative conclusions set forth in the FCC's September 25 Further Notice of Proposed Rule Making in Implementation of Section 621(a)(1) of the Cable Communications Policy Act of 1984 as Amended by the Cable Television Consumer Protection and Competition Act of 1992, MB Docket 05- 311.

Community Media has been an invaluable source of expertise and togetherness in our community. The power of community media is in its ability to connect members of our town with each other and with members of surrounding communities. In particular, local connections are important for children.

I emphatically request your continued support of community media.

Sincerely Yours,
